

## Make 2009 a Year of Adventure

React Technologies – Europe's most adventurous IP Networking Company invites you to put the fun back into business.

If you're going to make an investment in your IP Infrastructure, why not partner with React and get more than just great service and support.

### Four Days Skiing in Southern Germany

Spend over **£25K** – Including a minimum of **£5K** on service and join us for a long weekend downhill skiing in Garmisch-Partenkirchen. We'll cover the costs of travel, accommodation, ski passes and equipment hire.

### Seven Day Cycling Adventure in Tuscany

Spend over **£35K** – Including a minimum of **£5K** on service, and join us for a week of mountain bike riding around the Tuscan Countryside.

We'll cover the costs of travel, accommodation, and even provide the bike.

### Seven Days Motorbike Adventure Tour of Spain & Portugal

Spend over **£50K** – Including a minimum of **£7K** on service, and join us for a week exploring Historical Spain and Portugal on top of range touring motorbikes.

We'll cover the costs of travel, accommodation and motorbike hire.

We are experts in: Campus LAN Switching, Firewalls, Routing, VoIP, Fixed Mobile Convergence, Network Behaviour Analysis, Wireless Networking, Network Access Control, Broadband over Power, IPTV, CCTV and a lot more... so call us, and let the adventure begin!

#### **Fourteen Days Sailing to / from Portugal & South West Spain**

Spend over **£75K** – Including a minimum of **£10K** of service, and we'll welcome you aboard "React 1" our 46ft Beneteau Oceanis 461 for an adventure across the Bay of Biscay to the warmer climes of Portugal and Southern Spain; or join us for the return trip back to England's green and pleasant land.

We'll provide the adventure, waterproofs, food on board and flights as required.

#### **Ever Fancied Sailing the Fastnet?**

Spend over **£100K** – Including a minimum of **£15K** of Service, and join us aboard "React 1" for the Fastnet 2009. Spaces for this event will be limited, so order your reservation now, or you'll have to wait until 2011.

This adventure is not for the faint hearted (the weather is always awful), so keen sailors only for this one.

#### **One to tell the Kids about...**

Spend over **£150K** – Including **£25K** of service, and we'll take you somewhere special. You'll need a full motorbike license and at least 15 nights available, and then leave the rest to us. Explore India's Golden Triangle of Delhi, Agra, Jaipur and then onto Rajasthan for the adventure of a lifetime.

Depending upon the time of year (monsoon season in India isn't much fun on a bike), tours may be changed to Egypt, or Australia. We provide flights, transfers, and of course, the bikes.
